THE LINE SO FAR

OCT 2025 – PRESENT

Assistant Chief of Staff

XYZ · Santa Monica, CA

- Build Excel models and presentations to forecast revenue and track sales-campaign performance for registrar partners.
- Manage the full registrar relationship for the registry: business correspondence, invoices and partnership outreach.
- Research real-estate operations and markets, and share findings in clear reports and presentations.
- Oversee commercial tenant relations and drive occupancy through Zillow marketing setup and property tours.
- Lead execution of the City of Santa Monica's emission reduction plan; produce photo and video content for property and automotive listings; cultivate office culture.

JUN – AUG 2024

Data Science Analyst Intern

PlanetArt · Calabasas, CA

- Developed an internal data-processing platform (Prophet) in Streamlit, helping automate five-year forecasts of revenue, units and holiday events.
- Compiled revenue and unit data by geography and multilevel categories; provided best-case forecasting for company profit.

APR 2023

Organizer & Attendee

CuseHacks Beta 2023 · Syracuse, NY

- Coordinated and took part in the CuseHacks Beta 2023 hackathon on the Syracuse University campus.
- Built partnerships with technology firms to secure sponsorships, bringing industry connections and support to the event.
